INTERMEDIATE STATEMENT – REGULATED INFORMATION

Prepared by Managing Directors Dirk De Cuyper and Peter De Cuyper
Wetteren, Belgium – November 15th, 2013

Significant events and transactions since July 1st, 2013

Since July 1st, 2013, no important events have occurred with a significant impact on the company's results and financial structure.

Outlook

The good weather conditions during the months of July and August have led to a good start of the second half year of 2013. As a consequence, Resilux expects that the results for the second semester 2013 will be at least higher than the results for the second semester 2012. Resilux confirms the positive evolution of the sales and results regarding the joint venture Airolux.

For the second half of 2013, the result based upon the equity method of Airolux is expected to be less negative compared to the first half of 2013.

Resilux expects also in the second half of 2012 to invest EUR 8.0 to EUR 10.0 million
