INTERMEDIATE STATEMENT – REGULATED INFORMATION

Prepared by Managing Directors Dirk De Cuyper and Peter De Cuyper
Wetteren, Belgium – May 15th, 2014

Comments on the significant events and transactions since January 1, 2014

No important events have occurred since January 1, 2014 with a significant impact on the company's results and financial structure.

Outlook

The sold volumes of preforms and bottles for the first four months of 2014 have increased by more than 7% compared to the same period of 2013. B. The growth occurred in all regions. The strongest increase in sold volumes was in Russia, East and Central Europe and the United States of America. The growth is the result of a further diversification of customers and products.

For the full year 2014, Resilux confirms the outlook announced in the press release of March 17th, 2014. Under normal circumstances, Resilux expects to realise in 2014 an operational cashflow (ebitda) at least in line with 2013 and an improvement of the results of the joint venture Airolux.

The implementation of the capital expenditures budget for 2014 is according to plan.
